Scholars-on-Track Scholarship

The Scholars-on-Track Scholarship, funded under an NSF S-STEM grant, provides up to $9000 to defray tuition costs. The scholarship is awarded to prospective students with a high academic profile and a promise of success in the fields of biochemistry, biology, and chemistry.

The Scholars-on-Track Scholarship requires an annual commitment for continuation. Recipients must maintain a minimum GPA of 3.0 while majoring in biochemistry, biology, or chemistry at the Mount.

Eligibility:

- High School Seniors offered admission to the College of Mount Saint Vincent for the Fall semester
- SAT-M score of at least 500 and SAT-V score of at least 450
- High school average of at least 87
- Grade of at least 87 in each of three years of high school laboratory science courses
- Interview on Dolphin Scholarship Day (February 24, 2013)

Application Process:

- Apply for Admission to the College
- Fill out the separate scholarship application by February 1 (included here)
- Provide a letter of recommendation from one of the applicant’s science teachers attesting to the applicant’s abilities, achievements and potential in the sciences.
- Write an essay on the topic “Why Science?” Your essay (750 to 1000 words) must demonstrate a commitment to science and familiarity with three science careers (only one of which can be a medical field).
- Schedule an interview on Dolphin Scholarship day (February 24, 2013)

Annual Commitment and Continuation:

- Maintain a minimum of 3.0 cumulative grade point average
- Continue to major in biochemistry, biology, or chemistry
- Actively participate in other components of the program

Notification:

- Successful candidates will be notified by mail in late March.
